# Partners of Stoughton Hospital

*Serving Stoughton Hospital  
& Community Through  
Volunteering & Fundraising*

## Partners of Stoughton Hospital

The Partners of Stoughton Hospital is an organization that provides financial and volunteer support to the hospital and community in a variety of ways.

## History

The Stoughton Hospital Auxiliary was organized in the mid 1950's with the same objectives and mission we honor today. We aim to serve as goodwill ambassadors and provide assistance to the hospital staff and patients in a volunteer capacity. In 2005, we changed our name to the Partners of Stoughton Hospital. Our membership includes 150 men and women and we continue to grow. Each year the Partners donate over 10,000 hours of service at Stoughton Health.

## Benefits of Membership

Being a volunteer provides the opportunity to support the outstanding services offered by Stoughton Health and makes a significant contribution to our community and the surrounding areas. In addition, Partners receive a monthly newsletter, a flu clinic every fall, a complimentary appreciation luncheon, and a 10% discount on purchases in the Stoughton Hospital gift shop.

## Fundraising

Several fundraising events including sales, services, and parties are held each year, the most significant being our Love Light Ceremony which has become a community holiday tradition. Donations are collected and trees are lit in memory of loved ones, in recognition of those who make a difference every day, and to honor past and present military personnel. Through our fundraising efforts we are able to donate several thousands of dollars annually to Stoughton Health. We also support our community with donations to special educational events and service projects.

Through fundraising, Partners of Stoughton Hospital donations have provided:

- The walking trail along the river on the hospital campus
- Wellness Garden retaining wall
- A wheelchair accessible table for the Wellness Garden
- Colonoscopy Drying Cabinet
- \$15,000 toward the purchase of a hospital van
- Turbo Chef oven
- Scholarships for graduating High School Seniors
