August 2026 Newsletter

A MESSAGE FROM BRENDA KLITZKE, PRESIDENT

History is a significant part of our lives, whether we acknowledge it or not. We have the choice to follow it, ignore it, or even rewrite it to meet our current needs. Partners of Stoughton Hospital is based on history...lots and lots of history. As the current keepers of the reins we are trying to honor our founding leaders for what they accomplished and add to the legacy they have provided.

In September, we are drawing from that history. A used purse sale is scheduled for September 9th from 8:00 AM to 3:00 PM in the North Building Hospital Lobby. Ten years ago a similar sale was considered a huge success. So now we are recreating that sale, but also adding a used book, puzzles and games sale! Same place...same time...fantastic prices and something for everyone! But that is not all! September 9th is the usual day for our Cookie Bake. Wonderful warm delicious cookies for only a \$1.00 or half a dozen for \$5.00. Cookies will be available from 8:30-11:30.

Do we have your attention yet? If not...remember that fabulous Gift Shop...check out the great deals in there from 9:00 to 4:00. Special prices for our special sale.

Donations are still needed. See page 2 of this newsletter for details. Thanks to all partners who are supporting this event.

Each spring Partners of Stoughton Hospital hosts a community card party. This year due to requests by those who love to play cards, Lori Moe Kittelson and Steve Kittelson have agreed to add a FALL party. Mark your calendar for October 15 and watch for details soon.

Hard Work Pays Off!!

Our fundraising allowed the Partners to generously provide Stoughton Health funds to upgrade nuclear medicine equipment and contribute towards the new Stoughton Health Outpatient Center. The Partners sponsored a hole at the Swinging for Health Golf Outing and additional funding for the event. They contributed towards a new checkout system in the gift shop. As with past years, they funded the annual scholarship for an individual going into healthcare.

Beyond fundraising, the Partners volunteer many hours at Stoughton Hospital and the Outpatient Center. Partner volunteers also play a vital role in the operation of the Stoughton Hospital Gift Shop.

Their compassion extends to creating walker bags for rehabilitation patients and twiddle muffs for individuals in geriatric psychiatry. Partners support the Stoughton Wellness Coalition, including the Medication Disposal event, Reality Maze, and other events promoting a drug-free community. Other community outreach includes sponsoring a BINGO party at the Senior Center each December.
