

# Rehab Experience Volunteer

The Rehab Experience Volunteer program offers teens and young adults an opportunity to develop communication skills while learning about rehabilitation services. Becoming a volunteer can help you fulfill educational requirements, build a resume of service for college, and learn new skills while helping others.

The Rehab Experience Volunteer program is two hours per week for a commitment of six weeks. Hours available Monday through Friday between 8 a.m. to 5 p.m.

Potential Duties:

- Escort patients to vehicle
- Fold linen/laundry
- Stock linens
- Tidy rooms
- Clerical duties

Volunteers are assigned a therapist to shadow and will have the opportunity to observe patient therapy treatments.

Applications available at Stoughton Health Human Resources or [stoughtonhealth.com/volunteer/](http://stoughtonhealth.com/volunteer/). For more information please call (608) 873-2296 or (608) 873-2213. Please provide two professional references on your application (teachers work well as references).
